Sport and Design

Front apron

Part number:	8EC 071 609 9AX
Availability:	immediate
Scope of delivery	Front apron, 2-part, primed For Saloon, Avant and Cabriolet
Material:	PU rim
Intrinsic weight:	4 kg
Note on installation:	Make use of: 00A 071 785 adhesive
Installation times:	approx. 150 TU
Painting times:	approx. 140 TU
Exclusions (not to be used with...):	Not in conjunction with S-line, RS & S models
Product advantages/ customer benefits:	- Individualisation - Additional emphasis of the sporty, dynamic appearance
Other special features:	

Sport and Design

Side sill

Part number:	8EC 071 685 9AX
Availability:	immediate
Scope of delivery	1 set = 2 items for Saloon and Avant
Material:	PU rim
Intrinsic weight:	6 kg
Note on installation:	Make use of: 00A 071 785 adhesive
Installation times:	approx. 200 TU
Painting times:	approx. 140 TU
Exclusions (not to be used with...):	Not in conjunction with S-line, RS & S models
Product advantages/ customer benefits:	<ul style="list-style-type: none">- Individualisation- Assimilates the progressive lines of the design- Visually gives the impression of being lowered

Sport and Design

Roof edge spoiler

Part number:	8ED 071 640 9AX
Availability:	immediate
Scope of delivery	Roof edge spoiler, for Avant
Material:	PU rim
Intrinsic weight:	3 kg
Note on installation:	Make use of: 00A 071 785 adhesive
Installation times:	approx. 150 TU
Painting times:	approx. 140 TU
Exclusions (not to be used with...):	Not in conjunction with S-line, RS & S models, not in conjunction with rear bicycle rack
Colour:	Primed, plus paintwork
Product advantages/ customer benefits:	<ul style="list-style-type: none">- Differentiation- Individualisation- Improves the aerodynamics- With integrated brake light- Rounds off the image of superior elegance

Sport and Design

Rear diffuser

Part number:	8EC 071 611 9AX (left rear silencer) 8EC 071 611 A 9AX (left and right rear silencer) 8H0 071 611 9AX (left and right rear silencer) Cabriolet only
Availability:	immediate
Scope of delivery:	Rear diffuser, primed for Saloon and Avant
Material:	PU rim
Intrinsic weight:	1.6 kg
Note on installation:	
Installation times:	approx. 150 TU
Painting times:	approx. 140 TU
Exclusions (not to be used with...):	Not to be installed with S-line Not in conjunction with trailer hitch) Cabriolet only
Product advantages/ customer benefits:	- Individualisation - Blends tastefully into the vehicle design

Cabriolet not available in the USA

Sport and Design

Boot lid spoiler

Part number:	8EC 071 640 9AX
Availability:	immediate
Scope of delivery:	3 part; for the Saloon only
Material:	PU rim
Intrinsic weight:	3 kg
Note on installation:	Make use of: 00A 071 785 adhesive
Installation times:	approx. 100 TU
Painting times:	approx. 140 TU
Exclusions (not to be used with...):	Not in conjunction with S-line, RS & S models
Product advantages/ customer benefits:	<ul style="list-style-type: none">- Individualisation- Emphasises the elegant lines- Uses existing standard anchorage points

Sport and Design

DTM exterior package

Part number:	See next page; genuine parts
Availability:	immediate
Scope of delivery	<ul style="list-style-type: none">- Front and rear bumpers- Boot lid spoiler- Headlight washer system (if not yet factory-installed)
Installation times:	approx. 15 h
Painting times:	approx. 4 h

Transport

Base carrier

Part number:	8E0 071 126 A
Model:	A4 Saloon
Availability:	immediate
Material:	<ul style="list-style-type: none"> - Anodised aluminium profile section, aerodynamic and shaped symmetrically - Support feet and cover flaps from plastic, mechanism from galvanised and coated sheet steel
Scope of delivery:	1 set = 2 items
Intrinsic weight:	5.5 kg
Max. load capacity:	Note roof load of vehicle (base carrier+body member+load < roof load), roof load of A4 = 75 kg
Can be installed with:	Serves as base for roof equipment, such as bicycle bracket, ski and luggage box, ski and snowboard bracket, kayak bracket
Colour:	Silver
Packaging weight:	7.1 kg
Packaging dimensions:	1325 x 240 x 165 mm
Product advantages/ customer benefits:	<ul style="list-style-type: none"> - CityCrash tested - Anti-theft locking mechanism
Note:	Not in conjunction with roof rail

Transport

Base carrier for roof rail

Part number:	8E9 071 151A 666 Silver 8E9 071 151A 041 Black
Model:	A4 Avant
Availability:	Immediate
Material:	- Anodised aluminium profile section, aerodynamic and shaped symmetrically - Support feet and cover flaps from plastic, mechanism from galvanised and coated sheet steel
Scope of delivery:	1 set = 2 items
Intrinsic weight:	4.1 kg
Max. load capacity:	Note roof load of vehicle (base carrier+body member+load < roof load), roof load of A4 = 75 kg
Can be installed with:	Serves as base for roof equipment, such as bicycle bracket, ski and luggage box, ski and snowboard bracket, kayak bracket
Colour:	Silver (666) or black (041)
Packaging weight:	4.1 kg
Packaging dimensions:	1160 x 185 x 95 mm
Product advantages/ customer benefits:	With anti-theft locking mechanism - Easy to secure - Stable - System base for all equipment - Only for the Avant - CityCrash tested
Note:	- Only in conjunction with roof rail - Carrier profile = T-slot

Transport

Rear bicycle rack

Part number:	8E9 071 104
Availability:	immediate
Size or dimensions:	820 x 360 x 1030 mm
Intrinsic weight:	6.6 kg
Max. load capacity:	30 kg
Exclusions (not to be used with...):	Not in conjunction with: S-line exterior package and roof edge spoiler
Packaging weight:	11.2 kg
Product advantages/ customer benefits:	<p>Practical and quick to fit</p> <ul style="list-style-type: none">- Possible to transport two bicycles- Anti-theft lock- Pre-assembled- From aluminium, lightweight- Intrinsic weight: 6.6 kg- Load weight: 30 kg

Transport

Trailer hitch, removable

Part number: 8E0 092 155C

Availability: immediate

Installation time: 200 TU

Note: Not in conjunction with standard diffuser
(retrofit acc. to engine code)

Electrical installation kit

Part number: 8E5 055 203A 7-pin
8E5 055 203GA 7-pin (right-hand drive only)
8E5 055 204A 13-pin

**Product advantages/
customer benefits:** Perfectly adapted to the vehicle and the lighting elements

Comfort and Protection

Sill protective foil

Part number: 8EC 061 197 Saloon
8ED 061 197 Avant

Availability: immediate

**Product advantages/
customer benefits:**

- Custom-fit sill protection from scratch-resistant, transparent foil
- Reliably protects the bumper from damage and scratches when loading and unloading

Comfort and Protection

Reversible mat with bumper protection

Part number: 8E0 061 190 Saloon
8E9 061 190 Avant

Availability: immediate

**Product advantages/
customer benefits:**

- Robust, high-quality polyester fabric
- Reliably protects the bumper from damage and scratches when loading and unloading
- Protects clothing from stains and dirt

Comfort and Protection

Sun blind

Part number: 8EC 064 360 Saloon rear window
8E0 064 362 Saloon side window
8E9 064 362 Avant side window

Availability: immediate

**Product advantages/
customer benefits:** - Protects against sunlight
- Unobstructed view to outside

Comfort and Protection

Partition grille

Part number: 8ED 017 221

Availability: immediate

**Product advantages/
customer benefits:**

- Protects in the event of abrupt braking
- Easy and straightforward to secure
- Can be removed at any time
- Does not impair airbags
- TÜV certification and sideguard-tested
- Can be fitted to existing anchorage points without additional drilling

Comfort and Protection

Luggage compartment liner

Part number: 8E5 061 160 Saloon
8E9 061 160 Avant

Availability: immediate

**Product advantages/
customer benefits:**

- Circumferential edge approx. 5 cm high provides adequate protection against wet and dirt
- Diamond pattern prevents the load from slipping
- Liner can be rolled up to save space

Comfort and Protection

Luggage compartment sh

Part number: 8EC 061 180 Saloon
